Text is hard to read against its background Serious	2	2	0	0
Links don't say where they go Serious Fixed	2	0	−2	0
Buttons or links are too small to tap easily Serious Fixed	2	0	−2	0
Media Library images have no alt text Moderate	1	1	0	0

What was compared

5 pages were scanned in both audits and compared, plus site-wide content checks.

Comparisons are based on automated scan results. An element counts as the same issue when the same problem is found on the same element of the same page.
